

The illustrations to the book "Thiaoouba Prophecy" are taken from the official website [www.thiaoouba.com](http://www.thiaoouba.com)

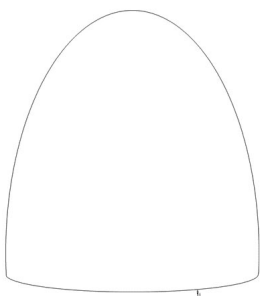

. Some are made from the sketches by Michel Desmarquet.

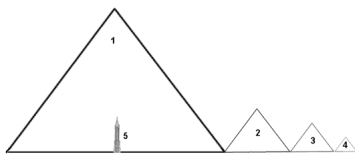

A portrait of Thao, a highly developed human being from planet Thiaoouba, who was Michel's mentor and a guide.

Thao, Michel and their spacecraft in the parallel Universe of the Earth.

Thao with Michel at the doko -- a Thiaooubian egg-shaped building made of force field.

Pyramids - cosmic tools

- 1 - Pyramid on Mars
- 2 - Pyramid of Mu ( Earth, Pacific, until 14,500 years ago)
- 3 - Pyramid of Atlantis ( Earth, Atlantic Ocean, still on the ocean floor)
- 4 - Pyramid of Cheops, - the largest pyramid in Egypt
- 5 - Empire State building, New York 381 m

Digits. Number of angles corresponds to the numerical value. For example, "1" has one angle, "9" -- nine angles.

and a large, dark, cylindrical sculpture with a large, bushy, green, spiky top, standing on a grassy field. The sculpture is made of a dark material, possibly wood or stone, and has a vertical crack running down its center. The top of the sculpture is covered in a dense, spiky, green material, possibly moss or a similar plant. The background shows a grassy field and some trees.
